B. E. Wetzel

Congratulations

Just as the changes in season are guided by the sun so also are the changes and activities at Oak Lawn High guided by a leader—Mr. B. E. Wetzel, superintendent. Upon his shoulders rests the responsibility of administering so complex an organization as a modern high school.

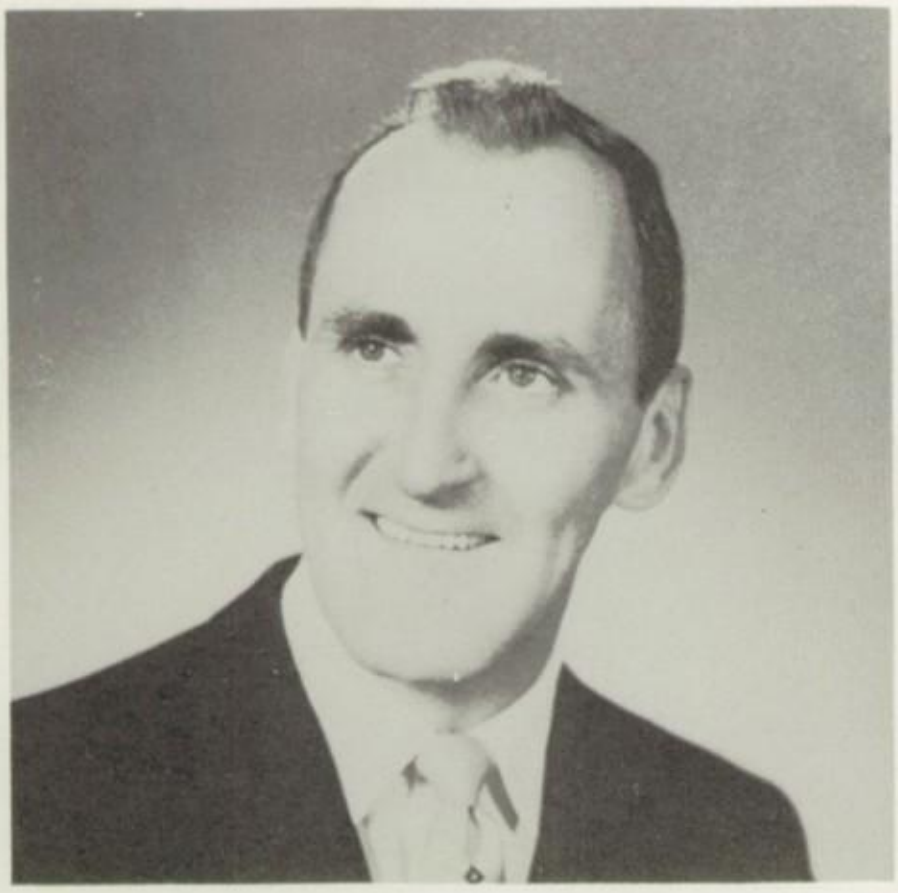
Mr. Wetzel's understanding of the administration of OLCHS has not occurred by mere chance, but rather by extensive training in the field of education. After attending grammar school and high school in Mt. Carmel, Illinois, he attended the University of Illinois where he received his bachelor's degree and later his master's degrees in commerce and education. Always eager to be posted on the latest information and ideas in education and administration, Mr. Wetzel has also attended summer classes at Southern Illinois University.

Having taught previously in Ashley and Casey, Illinois, and North Carolina and served as a civilian instructor in the armed services, Mr. Wetzel came to Oak Lawn during the school's first year of operation at which time he was assistant superintendent and also taught a course in commerce. Mr. Wetzel, whose two sisters and father are educators, comes from a family of teachers. He wed Maxine Logan in 1942 and they now make their home in Oak Lawn.

To relax from his busy schedule, Mr. Wetzel turns to his hobby of music. He can play several instruments including the baritone and trombone.

The responsibility of a school like Oak Lawn demands a man like Mr. Wetzel whose patient understanding of the needs and problems of the student body has won him a special place in the heart of that group.

With hearty congratulations Mr. Wetzel, we dedicate the 1959 Shield to you!



Introduction

New to OLCHS this year is Mr. J. E. Lynch, our assistant superintendent. By his genuine interest, sincere friendliness, and charming wit he has endeared himself to the students of Oak Lawn. As principal of New Berlin, Ancola, and Paris, Illinois, before coming to OLCHS, Mr. Lynch has experience not only in administrative duties but also in student relations. Mr. Lynch, who has been married for seventeen years, is the father of three sons. Already he has become a special part of our school, and his comment about it "I love it!" is mutual.

Administration

Congratulations

The new office of Administrative Assistant was added to the staff this year. Mr. Harold Wiltshire, who is a well-known member of the teaching staff and who has long been regarded as a fine mathematics instructor, was an appropriate choice for this newly-inaugurated position. Among the duties of this new post are those of business manager and coordinator of extra-curricular activities.

Garbed in russet and gold, Demeter, the goddess of harvest and seed, opens her doors to reveal a bountiful store of activities and studies as we troop back to school.

FALL

Board of Education

The job of setting the policies of OLCHS is that of our school board. It is through the Board that the high ideals of Oak Lawn have been adopted and maintained. Under its wise guidance Oak Lawn has achieved its present high standard.

Throughout the seasons our faculty forms the foundation of our school. It is their job not only to fill minds but also to mold them. From these men and women, the students of OLCHS derive many of the standards that they will take with them through life.

Cross Country

Oak Lawn students returned to school this fall to witness a strange, almost incredible process going on before their eyes. They saw 350 tons of concrete loaded with another 100 tons of building materials lifted to a height of 33 feet by sixteen jacks. This is the new lift slab process by which the new addition is being erected at OLCHS.

The sixteen hydraulic jacks lifted two floors and a roof firmly into place, which were poured on the ground level. Thus this radical building method was initiated at Oak Lawn. (cont. p. 79)

Pep Club

The athletes at Oak Lawn are always backed by one of the most high-spirited groups in school: the OLCHS Pep Club. Although the club is only three years old, it has already become an important and permanent part of OLCHS.

Student Council

The foundation of student government at Oak Lawn is the Student Council. Through the Council matters of importance to the student body are brought to the attention of the administration. The Student Council also controls, in a democratic manner, petitions brought before it for concessions, civic drives, and social events. Perhaps its most important function this year was a drive, co-sponsored by the Pep Club, to sponsor a foreign student's attendance at OLCHS.

Truly an example of representative government, the Council gives the students an opportunity to actively participate in democratic government under the sponsorship of Mr. J. Adduci and Mrs. K. Zimmerman.

Officers

Representatives

Public Address Operators

Armed with microphone and plyers the PA operators bring sound to all of OLCHS' social and sporting events. Whether it be at a basketball game or student assembly, they are there to make the event audible to all.

Alternates

Hall Guards

Supervising traffic in the halls are our Hall Guards. The good order in the halls is the result of their dutiful service.

Office aides is a group of girls formed to assist regular office personnel, counselors, and faculty members. They perform many varied duties under the direction of Mrs. Orr their sponsor.

Guidance Aides

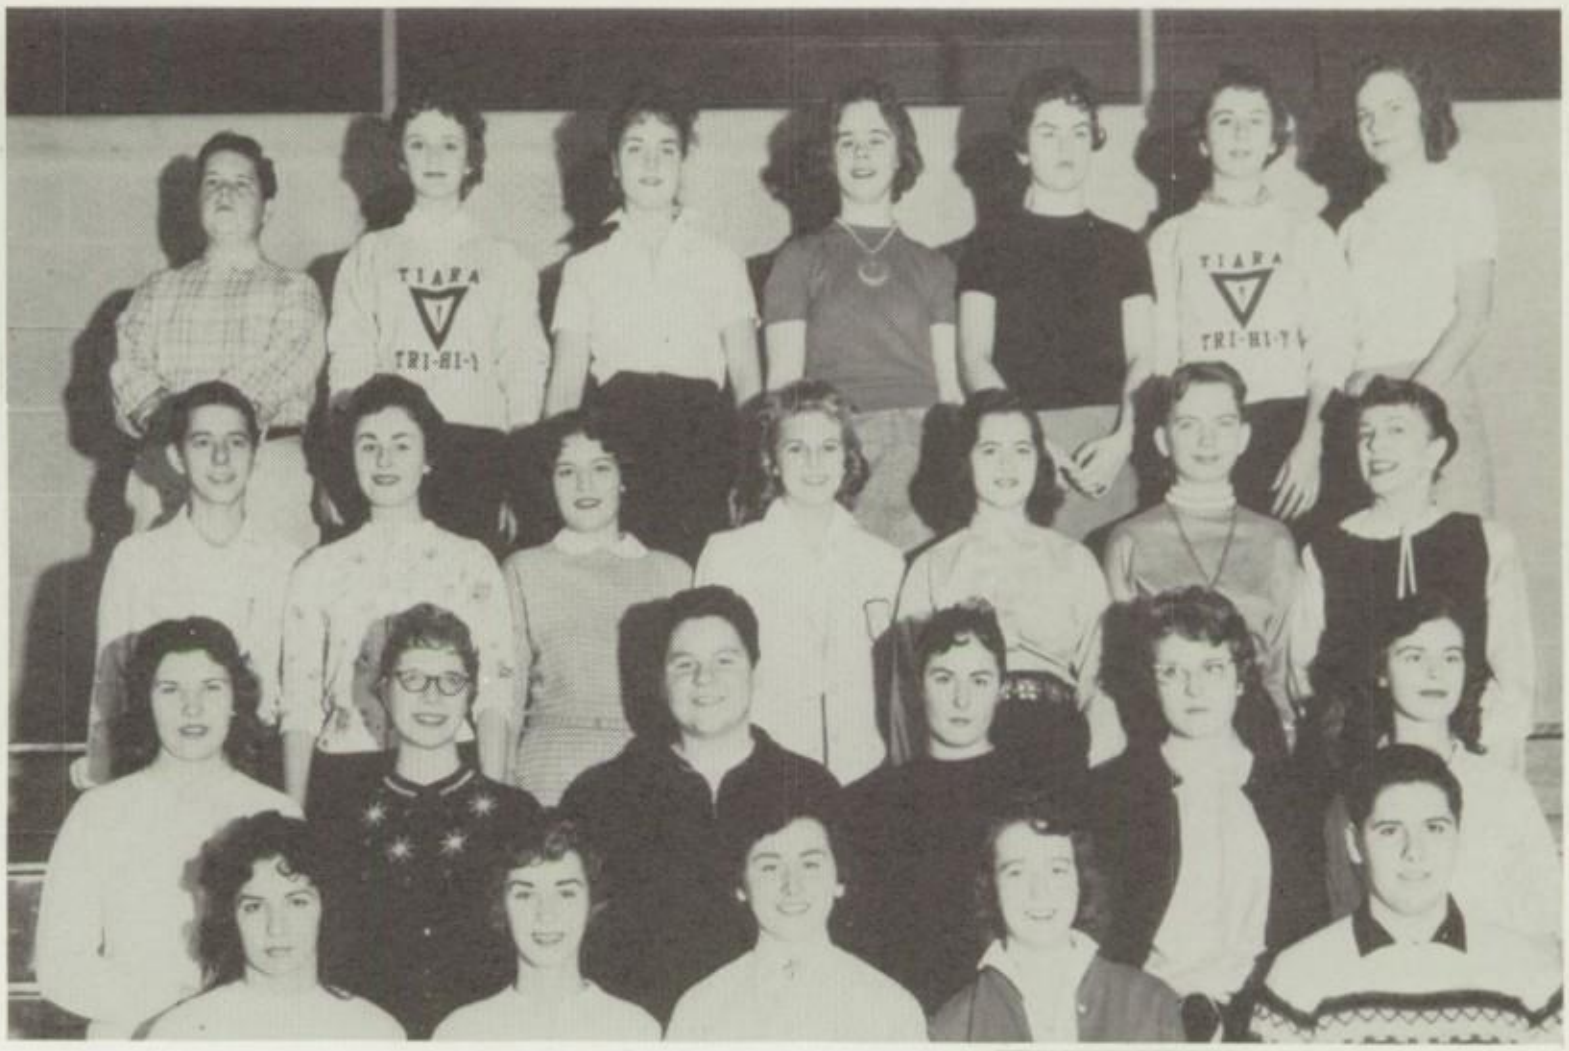
Aiding Mrs. Emmel in the organization of the OLCHS guidance department are the guidance aides.

Peppers

While aiding the girls' physical education teachers in gym classes, the Peppers perfect their skills, which in many cases help them prepare for careers as PE teachers.

Art Club

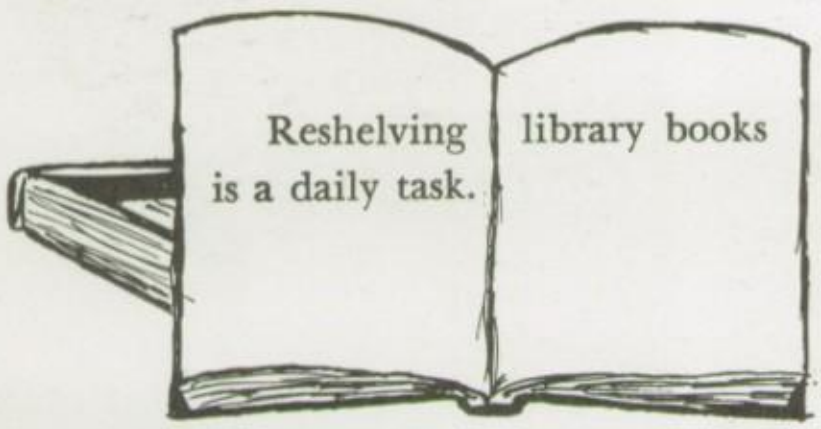
OLCHS artists use their time well in the Art Club. Here they learn much about their specialized field of interest.



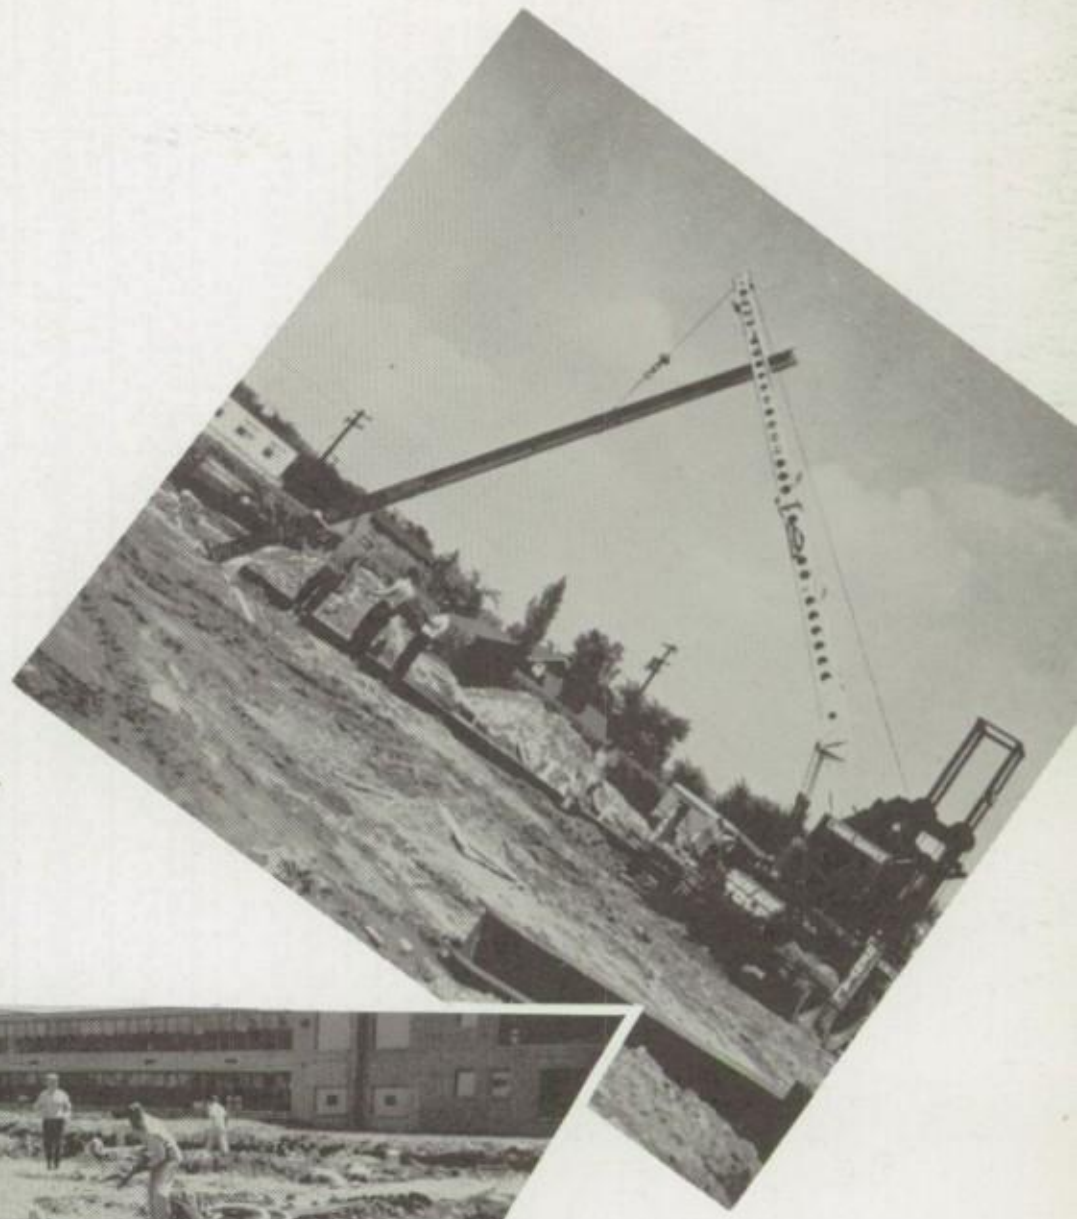
Poster Club

The Poster Club helps to promote school spirit by making posters to advertise the many events going on at OLCHS.

Library Aides



The ground is being prepared to hold a great building. Men and machines exert their force. The foundation is laid. (cont. p. 94)



Spartanite Staff

The fourth estate at Oak Lawn is represented by the Spartanite Staff. The Spartanite is a source of entertainment, information, and education to the students at OLCHS.

Produced by the journalism class under the direction of Mr. Edward Marks, with the assistance of the graphic arts department, the Spartanite is as much a part of Oak Lawn as the green Spartan head.

The seventh annual SHIELD presented a challenge to each member of the SHIELD staff. Color was initiated in the SHIELD this year, a step undreamed of seven years ago. Another first was the addition of the summer supplement, thus enabling the staff to give complete coverage of the entire school year. It was the co-ordinated effort of each member of the staff which made possible another outstanding SHIELD.

For a student to become a member of the National Honor Society is one of the most coveted honors OLCHS can bestow. To these twenty-four students the honor has become a realization. Selected on their merits in the fields of leadership, scholarship, and service, society members work for the advancement of themselves and their fellow classmates in these fields. Pictured also are the sponsors Miss Rita Kopp and Mr. Marvin Zahniser.

Pictured with Mr. Wetzel is Sandra Swanson, semi-finalist this year in the National Merit Scholarship competition. With a rank in the ninety-nine percentile, she is qualified to enter national competition for some four million dollars worth of scholarships.

Last year Oak Lawn students were awarded scholarships which included: National Merit Scholarship Awards, two semi-finalists and two honorable mention; Ford Foundation Scholarships; Younker Honor Scholarships; U. S. Gregg Sherman

Attending Oak Lawn High in a special way is our special student, Gregg Sherman. Gregg, who was stricken with polio at the age of 12, is a sophomore and an excellent student despite his handicap. Paralyzed from the waist down, he "attends" school by means of a sound system, which brings him into his classrooms. Through his courage and initiative, he has brought inspiration to his fellow classmates.

Cafeteria Staff

Famous throughout the school for always having something cooking is the cafeteria staff. To these masters of the culinary arts goes the all important job of preparing well balanced meals for some fifteen hundred hungry people each day.

Ten-pin action is kept high at Oak Lawn by the boys' bowling team, which is sanctioned by the American Bowling Congress. They participate in team competition each week under the direction of Mr. Gahala.

Boys' Bowling

The giant jacks force the mass of concrete upward. The electric counters keep a close account of the speed with which the slab ascends. Each floor, heaped with its material, slowly moves upward until it is locked in its position hours later.
